The mission of the Pathways Center is to provide compassionate grief support surrounding serious illness and death through education and connections with others. The vision of the Pathways Center is that we empower every person in our community to understand and embrace the uniqueness of grief while building connections with others and strengthening resilience.

HERO (Heal, Endure, and Restore after Overdose loss) is administered by Hospice & Community Care's Grief Services team (periodically during business hours Monday – Friday, 8:00 a.m. to 5:00 p.m.). Ensuring your privacy is important to us. This notice describes how information about you may be used and disclosed by Hospice & Community Care's Pathways Center for Grief & Loss.

We do not share your personal information with third parties except as described below. We may share your personal information if necessary for legal purposes. We may use and disclose information when necessary to prevent a serious threat to your health and safety, or the health and safety of others. Any disclosure, however, would only be to someone able to help prevent the threat. We may disclose information about you for public health activities, such as notifying the appropriate government authority if we believe you have been the victim of abuse or neglect.
