

# An International Overdose Awareness Day Event

**Thursday, August 28, 2025**  
**6:30 – 8:00 p.m.**

**Pathways Center for Grief & Loss**  
**4075 Old Harrisburg Pike, Mount Joy**

International Overdose Awareness Day (IOAD) is observed on or around August 31. It is the world's largest annual campaign to end overdose, remember without stigma those who have died, and acknowledge the grief of the family and friends left behind.

Join us for a powerful keynote presentation featuring Teddy and Greg Flory. The couple will share their deeply personal journey through their son Will's 10-year struggle with addiction and his tragic passing from an overdose in 2020. With honesty and heart, they will reflect on how addiction impacted their entire family, their ongoing path of grief and how they continue to find healing. Their message offers insight into the realities of addiction and hope for those walking a similar road.

Don't miss this meaningful conversation about love, loss and resilience.

**Registration deadline: August 22**

*No charge, but space is limited.*

Register one of the following ways:

- Online at [www.hospicecommunity.org/OAD](http://www.hospicecommunity.org/OAD).
- Call the Pathways Center at (717) 391-2413  
Monday through Friday, 8:00 a.m. – 5:00 p.m.

**We encourage you to bring a photo or memento of your loved one to display on the Memory Table.**
