

Connecting to ZOOM on a Smartphone.

1. Zoom can be used by **downloading the app** OR from your **mobile browser**.
2. To use the mobile browser option, **click on the Zoom link** sent to you by a Hospice & Community Care team member and then click the **“Join from Your Browser”** button. Type your name in and click **“Join.”**

A Hospice team member will set up your Zoom meeting and provide you with a link to get connected.

3. To install the app, either click the **“Download from the App/Play Store”** button OR visit the App/Play store and search for **“Zoom Cloud Meetings”**.
4. **Allow/Grant ZOOM permission.** (if prompted)
5. Tap **“Join with Video.”**(if prompted)
6. Tap **“Call via Device Audio.”**(if prompted)
