

Volunteers Sought for the Labor Day Auction

LABOR DAY AUCTION
9/2&4/23

It's that time of year again! Hospice & Community Care is already hard at work preparing for our Labor Day Auction, which will take place **September 2 and 4**. The Labor Day Auction truly is a labor of love and would not be possible without the support of our amazing volunteers.

We are looking for additional volunteers to help with set-up the week prior (August 28 thru September 1). This is demanding physical labor that includes carrying and setting up tables and chairs, unloading supplies and donated goods from trucks, setting up each Auction building and helping to set up guest and volunteer registration. **No training is necessary** to be a part of this crew, but this work is physically demanding and geared towards volunteers who are physically able to lift, work in the heat and get a little dirty.

If you are interested in joining the Labor Day Auction set-up crew, please contact **Jacqueline Bilder** at jbilder@hospicecommunity.org or call **(717) 391-2441**. For more information about the 2023 Labor Day Auction, visit www.labordayauction.org.

EMPOWERING

Meet Our New Volunteer Coordinator Kayla Boyer

Volunteer Services is delighted to welcome Kayla Boyer as our new Volunteer Coordinator in York. Kayla is no stranger to Hospice & Community

Care, serving previously as the Administrative Assistant in our York office since September 2022. Kayla chose to move to the Volunteer Services Department because she saw it as an opportunity to play a larger role in helping patients and families in our community.

Kayla was born and raised in York County and still resides locally. Her knowledge of the York County community will be an asset as she works to grow the volunteer program in York. Kayla's varied professional experiences will support her work as a Volunteer Coordinator, as she has experience with patient care, customer service, and even supporting the York County School District as a bus driver. The York staff have long sung Kayla's praise as she managed to foster a lot of culture and team building during her time as an Administrative Assistant, creating opportunities for the staff to engage and interact with one another to help improve communication and relationship building.

On the weekends, Kayla enjoys spending time with her family at their camper in Fulton County and relaxing and exploring new places in the surrounding areas. She enjoys a good book and doing crafts. Most of all, she is excited to start this new adventure and growing the volunteer program in York. The Volunteer Services team is thrilled to welcome Kayla to the family! If you would like to welcome Kayla Boyer, her email is kboyer@hospicecommunity.org and she can be reached at (717) 391-2455.

Thank You Volunteers

April is National Volunteer Month, and each year during this special month Hospice & Community Care takes time to recognize the dedicated volunteers who make a significant difference in the lives of many.

Hospice’s Volunteer Recognition Dinner, held on April 17, was presented by Groff Family Funeral & Cremation Services and Groff-High-Eckenroth Funeral Home, Inc.

Congratulations to the recipients of our milestone Volunteer Services Awards:
